

DATA SHEET

Connection cable for digital humidity / temperature module

Description

Accessories

Article	Article number
Digital humidity temperature module HYT939 with I ² C interface	0626 0110-05

Technical data

Operating temperature	-40 °C...+125 °C
Conductor material	Copper cable
Conductor structure	5 x 0,14 mm ²
Core insulation	TPE-E
Core colour	DIN 47 100
Shield	Cu braid, nickel-plated
Sheath material	TPE-O
Sheath colour	black
Outside diameter	4,60 mm ±0,10 mm
Connection	Site 1: RJ12 connection, Site 2: with cable box serie 711, type 99-0096-102-05
Cable length	2 m
Environmental data	RoHS conform

Article	Article number
RJ12 connection cable 2 m	0409 3004
RJ12 connection cable 5 m	0409 3004-01
RJ12 connection cable 10 m	0409 3004-06
